

## TCM Congress

### 3rd Scandinavian TCM Congress

„Chinese Medicine and the Fertile Spirit: Childhood, Nourishment and Long Life“

### Angela Hicks

Angela has been in practicing acupuncture since 1976. She is Joint Principal of the College of Integrated Chinese Medicine, Reading UK, which she co-founded in 1993. She originally trained at the College of Traditional Acupuncture, UK where she was a lecturer and clinical supervisor from 1979 – 1987. She went on to study TCM in 1987 and completed clinical training in China. As well as teaching BSc. (Hons) undergraduates at CICM she has taught TCM to post graduates since 1989 and has co-developed a clinical integration course for practitioners wishing to combine Five Element and TCM skills. She is also a practitioner of Chinese herbal medicine, a master practitioner of NLP, a Focusing teacher and she practices qigong. She is the author or co-author of six books including, *The Principles of Chinese Medicine*, *The Acupuncture Handbook*, *88 Secrets of Chinese Medicine*, *Healing your Emotions* and *Five Element Constitutional Acupuncture*.
