"Classic Chinese Medicine: Emotions, Spirituality and Alchemy"

Newsletter from the 2nd Scandinavian TCM Congress 3rd– 6th September 2009

Dear Colleagues of Classic and Traditional Chinese Medicine,

Why should you join the TCM Congress in Denmark?

Can you afford not to be part of the international TCM Network? By participating in the TCM Congress you become part of the bigger picture, and you get a unique opportunity to network with other practitioners and with international renowned teachers and researchers.

"It is important to be a part of a international group, which sets the rules and forms the opinion. As TCM practitioners we must be strong and show the world and the future that we exist. We can do this by being a group – and networking across borders." Cecilie Brewer, President, Norwegian Association of TCM.

What is Alchemy in Chinese Medicine?

Join the TCM Congress in Denmark and find out ...

At the seminar with Heiner Fruehauf you will learn more about this: *Alchemy and the Genuine Spirit of Chinese Medicine: The Classical Map Linking Macrocosm and Microcosm.*

Read about Heiner Fruehauf here: <http://www.classicalchinesemedicine.org/>

Does Chinese spirituality need a spirit?

Join the TCM Congress and learn from Dominique Hertzter ...

Emotions are all around us, and they are an important element of Chinese Medicine. At the Scandinavian Congress we will get a much deeper knowledge of the emotional aspect and thereby benefit in our daily work in the clinic.

"At a congress you will get more depth and meet experience by networking with other TCM practitioners and by meeting the brilliant teachers directly. A congress is on a higher level while a course is mostly more practical. You get an understanding of what we are doing and why we are doing it. Quite simply inspiration on a higher level."

Nigel Ching, TCM Practitioner, author and teacher, Denmark.

Do you want to find out what is new?

At the congress exhibition you will find out what is new on the market within herbs, needles and clinic equipment.

Here you may find newfound knowledge to apply in your own clinic or just examine actual products and literature.

Is it very difficult to get to Slettestrand?

Slettestrand is one of the most beautiful places in Denmark. Right on the westcoast of Denmark and next to the beautiful sea.

You get there very easily by catching a plane to Ålborg Airport and drive straight to Slettestrand by taxi. Join our facebook group and find colleagues for shared transportation:
