

3rd Scandinavian TCM Congress in Denmark 1st – 4th September 2011

"Chinese Medicine and the Fertile Soul: Childhood, Nourishment and Long Life"

Newsletter from the 3rd Scandinavian TCM Congress 1st–4th September 2011

Dear Colleagues of Classic and Traditional Chinese Medicine,

We are busy working on the congress program at the moment and are inviting well-known lecturers from all over the world. Getting in touch with these TCM specialists make us feel very excited about next year. It is really overwhelming to feel the motivation from everyone to contribute to this event and to all the different facets of "The Fertile Spirit: Childhood, Nourishment and Long Life".

We would like to draw your attention to the fact that there will be a Danish lecture each day. This is a congress novelty, that many participants have asked for. Our own Nigel Ching has agreed to give one of the lectures and more talented lecturers will follow in his footsteps - please do not forget to read the newsletters in which we will inform you of all the other Scandinavian teachers.

Our website is also being put up to date, and here you may find the latest information about the 3rd Scandinavian TCM Congress. The closer we get to the actual date, the more you will get a whole picture online of the congress. Once again we will offer a large number of interesting and challenging workshops on Thursday - and we are sure, that some of you will find it as hard as ever to choose between the great and knowledgeable teachers.

We are confident, that the congress programme will contribute to lifting the standard of Chinese Medicine to even higher levels - we know that the participants at this congress are willing to risk more in our field of medicine and to seek deeper than the normal standards.

Congress teachers

Below please find the next five congress teachers, who have accepted our invitation to the congress. One great man we know from the previous two congresses; Peter Firebrace - who will - once again - rock our world with his and Lillian Pearl Bridges' Joy of Music event. As before this will take place on Friday evening, and we are sure that more people will be eager to join their band.

Furthermore, we are happy to welcome new faces, and you will find a short CV for them below. You may find more information on the congress website.
